Manabe's Punishment

Takes place the next day after Kiyotaka gains Kei as an tool *cough* ally.

Kiyotaka POV:

Kiyotaka (Thinking): Now that I've gained Karuizawa's aide. There's only one more thing to take care of and that is making sure I keep my end of the bargain.

I shot an email to Manabe telling her to come alone to the same broiler room as yesterday. I quickly left to go to the room with the plan set in motion. After a few minutes Manabe arrives and seems to be shocked at what she sees.

Manabe: Ayanokouji right. What are you doing here? Wait don't tell me.

Kiyotaka: That's right I'm the one who sent that email out to you yesterday. It was quite a show that you and your friends put on yesterday.

Manabe: Were you watching the entire thing?!

Kiyotaka: That's right. Now from here on you will do as I say and you and your friends won't be expelled. (Thinking) For now at least.

I pulled out my phone and showed her the video of them beating up on Karuizawa. She gasps at being caught red-handed in my trap.

Manabe: You bastard! You won't get away with this!

She charges towards me and tries to land a punch but I effortlessly dodge the attack. She then tries to land a few more punches but I

dodge them all while yawning.

Manabe: Stop running from me asshole!

Kiyotaka: I'm not running. Your attacks are so predictable that I can close my eyes and manage to dodge them.

Manabe: Damn you!

She then tries to kick me in the face but I catch her leg exposing her panties to me.

Kiyotaka: Stripes huh?

Manabe backs away while blushing red from anger.

Manabe: You damn pervert. No one told you to look at them!

Kiyotaka: You're the one who decided to show them off with that feeble attempt of a kick. I'm hardly even trying over here. Please do better.

Manabe: Hraagh!

She comes back charging at me in a burst of anger and tries to spin kick me but I sigh and then karate chop her in the side causing her to stagger to the floor. She looks up in shock.

Manabe: You- what are you?

Kiyotaka: I'm just a normal everyday high school student who happens to play the piano. Now it's time for your punishment for bullying Karuizawa.

I pick her up and lay her stomach on my knee while putting one arm in an armlock. She tries to break free but it was quite meaningless to do so. I use my other hand to flip her skirt exposing her panties and shapely ass I must admit. She starts blushing and then squirming.

Manabe: What the fuck do you think you're doing you pervert! Flip my skirt back down!

Kiyotaka: No can do. I'm afraid I merged with my alter ego quite some time ago and now I must satisfy his base urges.

Manabe: You're fucking insane!

I delivered a hard spank to her ass causing her to yelp in pain. I continued spanking her as the sounds resonated throughout the room.

Manabe: You won't get away with this I'll report you to the school!

Kiyotaka: Do that and I'll be sure to show the school this video getting both me and you and your friends expelled.

Manabe: Damn it..... Then how long will this go on.

Kiyotaka: Meh until I'm satisfied I guess.

Smack. I smacked her ass extra hard this time causing tears to form in her eyes. I continued spanking watching as her ass jiggled a little from the smacks. I felt my T-Rex rise while continuing with this performance. I stopped spanking her and then made sure to grab a handful of her ass. Ah so this is what it feels like to grab a girl's butt. My T-Rex was now feeling erect. Manabe reacted as it had hit her leg.

Manabe: No please don't. Anything but that!

Kiyotaka: Don't worry. I'm not going that far as this is only supposed to be a normal punishment.

Manabe: This punishment is anything but normal!

Kiyotaka: No it is quite normal. Some parents spank their children for doing something bad all the time.

Manabe: I'm not your daughter! We're the same age plus teens don't get spankings like when they were younger dumbass! Plus you stopped to grab my ass you pervert!!

Kiyotaka: I suppose that's true. As for the butt grabbing part, I was curious to see what it would feel like and I must say your butt felt

amazing in my hands.

Manabe: Bastard.

Kiyotaka: You have a lot of energy for someone who was just crying from being spanked.

Manabe: I'm much tougher than you think.

Kiyotaka: I suppose so. Anyway time to wrap this up.

I let Manabe go from my hold. She tries to stand up on her own but fails as her legs give out. Sigh, guess I'll have to carry her. I pick her up by her and let her rest against the back of my shoulders.

Manabe: What do you think you're doing?! Just leave me here.

Kiyotaka: No can do. I'll feel bad if I did since your punishment is over. As long as you don't go after Karuizawa again, we're no longer enemies.

Manabe: You're so weird. One second you're just a gloomy nobody, the next you're a fucking menace, and at the very last you decide to show some compassion. I can't read you at all.

Kiyotaka: I get that more than you'd think. Anyway tell me where your room is and I'll take you there.

Manabe: Aren't you afraid and someone seeing you carry me.

Kiyotaka: It's late. There shouldn't be anyone in the hallways plus if it's with a cute girl like you, I don't mind.

She blushes at my statement.

Manabe: Tch. Well I'd rather not be seen with a bastard like you but I guess it can't be helped.

Kiyotaka: Indeed.

The End

A/N: I remember not really caring too much for her in the light

novel. Ever since I saw her design in the Anime (honestly kind of cute even though she's a bitch.) and how they made her and her friends scenes against Kei. I knew I had to make a story like this..... yes I might be a Sadist

Anyway I might make a full-blown fanfic with Kiyotaka and his hornykouji origins/fusion throughout the story of Cote.

But as Kiyo says "Who knows"
